Dear Ms. Aldrich:

The Department of Environmental Services, Water Division, Wastewater Engineering Bureau (DES) reviewed the actions taken by Groveton in their March 8, 2006 response to Letter of Deficiency No. WD WWEB/C 06-02. DES determined that the issues addressed in the Letter of Deficiency have been resolved in a manner consistent with the Water Division regulations and NPDES permit requirements. Groveton should continue with the actions listed in the March 8, 2006 correspondence. At this time, no further response from the Town is necessary. Therefore, DES hereby issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of Groveton, and that this letter does not provide relief against any existing or future violations.

Sincerely,

John R. Bush, P.E.
